

**COMMEMORATIVE SOUVENIR  
SILVER JUBILEE  
OF POLICE HEADQUARTER MAHARASHTRA  
STATE, MUMBAI**

Maharashtra Police Headquarter, a landmark heritage building, was constructed between 1872 & 1876 as Royal Alfred Sailors Home. Architect Stevans designed this 270 feet long and 58 feet wide building ingeniously using blue basalt in the facing with different coloured natural stones in the detailing, to impart an incredible polychromatic effect. In the later 1930s, the Sailors Home became the seat of the Legislative Council. A new Council Hall with a capacity to accommodate around 148 members was constructed behind it and connected by a corridor to the main building. For several years, the main building functioned as legislative assembly until the new Council Hall was built in 1982.

The building was handed over to Maharashtra Police on 1<sup>st</sup> June, 1982 and became its headquarter since then. The souvenir commemorates Silver Jubilee of Maharashtra Police Headquarter (1982-2007).
